Class Descriptions

Abs and Stretch

20 minutes of core workouts and stretch that make you feel great before or after any class.

Barre Fusion

A challenging full body workout that incorporates elements from Ballet, Pilates, Yoga and toning classes. Using light weights, a ballet barre and your own body resistance, this class will tone your entire body. (55 minutes)

Balance in Motion

Chair-Based yoga-inspire poses, flow and breathe to active the core And create health to the body, mind and spirit

Basic Pilates Mat

Discover the many benefits of Pilates in this comfortably paced class created for beginners. (50 minutes)

Basic Yoga

A class designed to teach the basic yoga postures. (55 minutes)

BodyCombat

Firm legs, arms, back and shoulders. High-energy Martial arts-inspired workout. Teaches you moves from Karate, Taekwondo, Boxing, Muay Thai, Capoeira and Kung.

BodyFlow

A Yoga, Tai-Chi and Pilates workout that builds flexibility and strength while leaving you centered and calm.

Body Pump

A total body workout that will make you toned, lean and fit. Burn calories and improve your core strength. Weight class absolutely for everyone, using light to moderate weight with lots of reps.

Circuit Training

Experience intervals of cardiovascular activities with Boot Camp style of resistance training, abdominal conditioning and stretching. Prepare for pushups, sprints, weight training, and calisthenics of all kinds. (55 minutes)

Core & More

Get ready for a total body workout that always incorporates the abs during each exercise! Each class is varied with equipment used (balls, bands, bars, weights, gliders, etc.) to work each muscle group throughout the class. (55 minutes)

Dance Mania

This class uses choreographed dance routines to get the most out of your workout. This class uses fun choreography to make every class different. (55 minutes)

Glutes & Abs

20 minutes of glutes and core workout. Defines Gluteus maximus, medium & minimum as well as fat that lies over them, adding few butt-busting moves to your routine and to work your core.

Group Cycling

A Bring the outdoor ride inside while using power, watts and RPM on the Keiser M3® to create a fun, low-impact, high-intensity cardiovascular workout. This class is suitable for all ages and fitness levels. (50-55 minutes)

HIIT

HIIT features short intervals of intense cardiovascular exercises, resistance training and/or body weight exercises followed by short

intervals of rest. High Intensity Interval Training is designed to train the whole body while reducing training time. (55 minutes)

Zumba Toning

Created to emphasize muscle work along with rhythms, this combination of cardio and dynamic resistive exercises is an effective use of progressive lightweight training to improve overall performance. (55 minutes)

Muscle Fit

Weight training program designed to improve muscular strength and endurance of all major muscle groups. This class will challenge all fitness levels. Each muscle group is worked until fatigue, approx. 4-5 minutes per muscle group.

Muscle Conditioning: A Combination of all different elements of fitness; ranging from muscle conditioning flexibility and balance .

Strong by Zumba

Combines body weight, muscle conditioning, cardio and plyometric training moves synced to original music that has been specifically designed to match every single move. Every squat, every lunge, every burpee is driven by the music, helping you make it to that last rep and maybe even five more.

Pilates Mat

Around your "powerhouse" (abs, hips, lower back and buttocks), this controlled method of body toning will strengthen muscles, improve balance and streamline posture. (50 minutes)

Senior Fit

This 50-minute class focuses on increasing bone strength through resistance training, light cardiovascular activity, as well as balance and coordination exercises to help reduce the risk of falling and greatly improve activities of daily living.

Step Interval

Intervals of Step choreography followed by intervals of muscular endurance and strength using weights, body weight and/or resistance bands. (55 minutes)

Sunrise Yoga

A gentler, less intensive form of yoga that is suitable for all fitness levels

Yoga

This is a moderate level class guiding students through proper alignment and breath, exploring a wide range of yoga postures gaining flexibility, core strength, balance and focus. (75 minutes)

Yoga Flow

A series of yoga postures connected together in a flowing series moving from one posture to the next. This is a 55-minute class, perfect for those with a busy schedule

Zumba®

A high-energy aerobic workout that combines exciting music with unique dance moves. The music ranges from the Salsa and Merengue, to Reggae ton and Samba. (55 minutes)

Zumba® Gold

Learn how to move your hips to Merengue, Cumbia, Reggae ton and Salsa. This class is designed for the active older adult population or the true beginner (deconditioned) participant. Low-impact slower paced version of the popular Zumba class. (55 minutes)
